

## Appendix C: Photographs

Site image	Description
 A wide-angle photograph showing a field of dense, low-lying vegetation, likely natural vegetation. The foreground is filled with green and brownish plants. The background shows a flat horizon line under a heavy, overcast sky with dark, grey clouds. A few trees are visible on the right side of the horizon.	Proposed development area consisting of natural vegetation.
 A wide-angle photograph showing a field of dense, low-lying vegetation, likely natural vegetation. The foreground is filled with green and brownish plants. The background shows a flat horizon line under a bright blue sky with scattered white clouds. A few trees are visible on the right side of the horizon.	Proposed development area consisting of natural vegetation.
